**MEMORANDUM FOR:** Assistant Chief of Staff, Intelligence  
U. S. Air Force

**SUBJECT :** Kynsaur Forest Disease in India

1. Our people here have looked into the "Russian Disease" item to which you called my attention. Attached herewith, for your interest, are their responses to me.
2. While it appears that there is very little point in pressing the matter further from the PP point of view, I very much appreciate your bringing the item to my attention so that we could properly weigh the pros and cons.

C. P. CABELL  
General, USAF  
Deputy Director
